**You will be required to pay for the purchase of sunscreen when you pick up the SunSmart Events Package prior to the event from the Cancer Council ACT shopfront.*

Cancer Council ACT recommends a combination of the **5** sun protection behaviours when UV levels reach **3 and above**. View the **SunSmart UV Alert** from the **Bureau of Meteorology** website to see when sun protection will be recommended at your event.
http://www.bom.gov.au/products/UV/Canberra_NSW.shtm

Remember to always take particular care between 10am and 3pm when daily UV levels are at their strongest. This includes **minimising your outdoor events and activities as much as reasonably practicable between 11am and 3pm during the daylight saving period of the year when daily UV levels are at their most intense increasing your risk of skin damage.**

Our event will take place fromto.....

terms of use

*The **SunSmart Events Package** must be collected and returned to Cancer Council ACT at 5 Richmond Ave FAIRBAIRN ACT 2609. The package must be returned within 2 business days after use. I/We understand that any damages that occur to the marquee whilst in our care will be charged to our organisation. I am also aware that a \$20 refundable deposit will be left at Cancer Council, this deposit will only be returned IF all the ground pegs and the hammer are returned with the package.*

cancer council disclaimer

Cancer Council ACT is not responsible for any damages that may result from the misuse of the marquee. The marquee should be stabilised with the pegs that are provided. Do NOT assemble marquee if experiencing strong winds. An instruction sheet for safe assembly of the marquee can be found in the bag.
